

CONTENTS

Volume 18

December 2011

Number 2

S.No.	Title of Contents and Authors	Page No.
1.	Genetic characterisation of moroccan camel populations using microsatellites markers M. Piro, O. Bouazzati, M. Bengoumi, K. El Allali, M.R. Achaaban, A. Benjouad, A. Nabich and L. Ouragh	167-172
2.	Comparative pharmacokinetics of meloxicam in the camels and heifers A Y AL-Taher	173-178
3.	Computed tomography and cross-sectional anatomy of the thorax of two newborn dromedary camels A. Arencibia, M.A. Rivero, G. Ramírez-Zarzosa, D. Blanco, M. Morales and J.M. Vázquez	179-184
4.	Distribution and density of mast cells in the heart of bactrian camel embryo (<i>Camelus bactrianus</i>) Guoqiang Yuan, Zhongtian Bai, Lianlian Li and Jianlin Wang	185-190
5.	Anatomy and three-dimensional reconstruction of hyoid bone in the bactrian camel (<i>Camelus bactrianus</i>) Lianlian Li, Lifen Zhao, Zhongtian Bai, Guoqiang Yuan, Jialong Li, Guoqiang Song and Jianlin Wang	191-196
6.	Gross anatomy of the ligaments of fetlock joint in dromedary camel Jamal Nourinezhad, Yazan Mazaheri and Mahmood Khaksary Mahabady	197-202
7.	The correlation between dental variables and cranial length of the bactrian camel (<i>Camelus bactrianus</i>) Weidong Wen and Jianlin Wang	203-208
8.	Assessment of nutritional status in feed deprived one-humped camels K Abdoun, A Alameen, W Elmagbol, T Makkawi and A Al-Haidary	209-212
9.	Q fever in camelids with own investigations in dromedaries U. Wernery	213-218
10.	Peste des petits ruminants (PPR) in camelids with own investigation U. Wernery	219-223
11.	Treatment of paratuberculosis in camels by rifampin and streptomycin Abdulaziz Al-Swailem, MUSAAD, A. Al-Dubaib, Dia G. Abo El-Hassan, Mohamed, Tharwat, Essam Al-Yamani, Mohamed Shehata, Mahmoud Hashad and Osama M. Mahmoud	225-229
12.	Traditional treatment practices against camel diseases in Rajasthan F.C. Tuteja, S.K. Dixit, S. Kumar, N.V. Patil and J.P. Singh	231-242
13.	Study on atrial fibrillation in a dromedary camel M. Pourjafar, K. Badii, A.A. Chalmeh, M. Naghib and A.R. Rahmani	243-246
14.	<i>Candida zeylanoides</i> : the major pathogenic <i>Candida</i> species in genital tract of female dromedaries H. Shokri	247-250
15.	Efficacy of buserelin to induce ovulation in camels Sumant Vyas	251-253
16.	Viability, enzymatic activity and penetrating ability of spermatozoa into she-camel cervical mucous as affected by different extenders A.M. Abd El-Salaam, G.M. Absy, Sh.A. Gabr and A.E.B. Zeidan	255-263
17.	Meat quantity and quality evaluation of maghrabi and sudani camels (<i>Camelus dromedarius</i>) M.F. Shehata, M.A.I. Salem and M.A. Zayed	265-271

CONTENTS

Volume 18	December 2011	Number 2
S.No.	Title of Contents and Authors	Page No.
18.	Mineral, vitamin and fatty acid contents in the camel milk of dromedaries in the Anxi Gansu China S.Y. Wang, J.P. Liang, W.J. Shao and H. Wen	273-276
19.	Heat stability of camel milk proteins after sterilisation process Omar A. Alhaj, Ali A. M. Metwalli and Elsayed A. Ismail	277-282
20.	Gastrointestinal parasites of camels (<i>Camelus dromedarius</i>) from turkey and efficacy of doramectin against trichostrongyles V.Y. Cirak, B. Senlik and E. Gulegen	283-285
21.	Environmental stress and the loss of urea, sodium and potassium in the sweat of camels (<i>Camelus dromedarius</i>), under semi-arid coastal conditions Wissam T. El-Zeiny	287-296
22.	Thermoregulation and blood biochemical changes in male dromedary camels during hot-humid and hot-dry environments under Egyptian conditions E.B. Abdalla, A.E.B. Zeidan, A.M. Abd El- Salaam and Maiada W.A. Allam	297-304
23.	Tympanic membrane temperature of dromedary camels (<i>Camelus dromedarius</i>) E.M. Samara, K. Abdoun, O. AL-Tayib, A.B. Okab, and A.A. AL-Haidary	305-318
24.	Effects of epidural administration of ketamine/xylazine and ketamine/medetomidine combinations in dromedary camels (<i>Camelus dromedarius</i>) M.H. Shekidef and S.Y. Saleh	319-329
25.	Mandibular fractures and its influence on haematological and some biochemical parameters in dromedary camels M.K. Zabady and A.M. Al-Mujalli	331-335
26.	Rectal prolapse in dromedary camels M.K. Zabady, T.A. Fouda, M.R. Abdin- Bey and I.M. ElJali	337-344
27.	Surgical management of buccal fistula in a camel (<i>Camelus dromedarius</i>) S. Purohit, S.R. Chaudhary, J.N. Mistry, P.B. Patel, G.M. Siddiquee and J.S. Patel	345-346
28.	Surgical management of oesophageal obstruction in camels- report of 5 clinical cases Prem Singh, R.K. Chandolia, S.M. Behl, Rishi Tayal, S.K. Chawla and N.S. Bugalia	347-349
29.	Author and Subject Index	351-354
30.	Instructions to Contributors	355-356
