

CONTENTS

Volume 14		December 2007	Number 2
S.No.	Title of Contents and Authors	Page No.	
1.	Seroepidemiological studies for the detection of antibodies against nine infectious diseases in dairy dromedaries (Part-I) U. Wernery, R. Thomas, G. Syriac, R. Raghavan and S. Kletzka	85-90	
2.	Serosurveillance of camels (<i>Camelus dromedarius</i>) to detect antibodies against viral diseases in Saudi Arabia A.I. Al-Afaleq , E.M.E. Abu-Elzein , A.A. Hegazy and A. Al-Naem	91-96	
3.	Seroprevalence of bluetongue virus antibodies in camels in organised farms of Gujarat A.R. Patel, H.C. Chauhan, B.S. Chandel, A.I. Dadawala, N.P. Patel, Smital Patel, S.M. Agrawal and H.N. Kher	97-100	
4.	Rabies in camels at Qassim region of central Saudi Arabia M.A. Al-Dubaib	101-103	
5.	Non-suppurative meningoencephalitis in dromedary camels in Saudi Arabia F.A. Al-Hizab and E.B. Abdelsalam	105-108	
6.	An outbreak of a mixed infection of <i>Trichophyton verrucosum</i> and <i>Nocardia asteroides</i> in dromedary camel in Iran A.R. Khosravi, H. Shokri and A. Niasari-Naslaji	109-112	
7.	Camel brucellosis in Riyadh region, Saudi Arabia M.A.A. Alshaikh, A. Al-Haidary, R.S. Aljumaah, M.M. Al-Korashi, A.R. Gar ElNabi and M.F. Hussein	113-117	
8.	Pneumo-enteritis in arabian camel-calves (<i>Camelus dromedarius</i>): Clinical and laboratory investigations T.A. Fouda and A.M. Al-Mujalii	119-124	
9.	Contagious skin necrosis of dromedary camels in South Egypt A.M.A. Zaitoun	125-132	
10.	Dermatophytes Isolated from the hair coat/skin scrapping of healthy dromedaries in Iran A. Ebrahimi, B. Montazeri and Sh. Lotfalian	133-134	
11.	Prevalence of brucellosis in nomadic herds of dromedaries in Borno State, Nigeria N.B. Adamu, A.E.J. Okoh and U.J. Azunku	135-138	
12.	Morphological comparisons of the brain of the bactrian camel (<i>Camelus bactrianus</i>) between a near term foetus and the adult Jingchen Chen, Chengjuan Gao, Zhongtian Bai and Jianlin Wang	139-142	
13.	Topographic anatomy and morphometry of the metacarpus and phalanges in the adult bactrian camel (<i>Camelus bactrianus</i>) Qiu-Sheng She, Hai-Yan LI, Jian-Lin Wang and Zhong-Tian Bai	143-149	
14.	Experimental study on sedative effect of detomidine in camels (<i>Camelus dromedarius</i>) A.I. Al-Mubarak	151-154	
15.	The pharmacokinetics and metabolism of ranitidine in camels I.A. Wasfi, M. Elghazali, A.A. Abdel Hadi, B.A. Agha and Ishar M. Barezaig	155-160	

CONTENTS

Volume 14		December 2007	Number 2
S.No.	Title of Contents and Authors	Page No.	
16.	Peri-articular abscesses in camel calves in North Kenya M. Younan, S. Bornstein and I.V. Gluecks	161-164	
17.	Rhabdomyosarcoma in a she-camel (<i>Camelus dromedarius</i>) A. Zakia-Mohammed, R.O. Ramadan and A.I. Al-Mubarak	165-167	
18.	Cleft palate in a camel (<i>Camelus dromedarius</i>) T.K. Gahlot, Sakar Palecha and Shriram Soni	169-170	
19.	The prevalence of nymphal stage of <i>Linguatula serrata</i> in camels (<i>Camelus dromedarius</i>) in Najafabad, Iran Mehrddad Pourjafar, Hamidreza Azizi, Saeideh Darabi and Mojtaba Khosravi	171-173	
20.	Genetic evaluation for growth of calves at early stage in saudi camels K.A. Al-Sobayil, M.H. Khalil, A.M. Al-Saef, K.M. Mohamed, and S.A. Salal	175-180	
21.	Apparent digestibility of organic zinc forms in llama (<i>Lama glama</i>) and alpaca (<i>Lama pacos</i>) Daniel R. Linden, David E. Anderson, Jeff Lakritz, D. Michael Rings, Paul M. Ramsey and Norman Evans	181-185	
22.	Effect of season on haematological parameters in clinically normal llamas (<i>Lama glama</i>) raised in Libya L.S. AL-Bassam, S.M. Azwai, O.E. Abdouislam, S.A. Al-Izzi and A.M. Al-Dawek	187-190	
23.	Serum biochemical values of healthy adult one humped camel (<i>Camelus dromedarius</i>) introduced into a sub-humid climate in Shika - Zaria, Nigeria A.K. Mohammed, A.K.B. Sackey, L.B. Tekdek and J.O. Gefu	191-194	
24.	Changes in chemical and macro-minerals content of dromedary milk during lactation Gorakh Mal, D. Suchitra Sena and M.S. Sahani	195-197	
25.	Comparative assessment of draught performance of the one humped camel (<i>Camelus dromedarius</i>) and <i>Bunaji</i> work bulls in Zaria, Nigeria A.K. Mohammed, A.K.B. Sackey, L.B. Tekdek and J.O. Gefu	199-202	
26.	Electroejaculation in llama (<i>Lama glama</i>) A. Director, S. Giuliano, V. Trasorras, I. Carretero, M. Pinto and M. Miragaya	203-206	
27.	Surgical removal of an embedded wooden peg from scapular region in camel (<i>Camelus dromedarius</i>) T.K. Gahlot, Sakar Palecha, Shriram Soni and M. Ayub	207-208	
28.	News	168, 174	
29.	Instructions to contributors	209-210
